MINUTES OF THE OCTOBER 26, 2011 LANSING HOUSING COMMISSION MEETING

PRESENT AT ROLL CALL: All Commissioners Present

Guest: Gretchen Cochran, Lisa Webb Sharpe, Chris Strugar-Fitch

STAFF: Patricia Baines-Lake David Abood Kendra Schmidtman Forrest Babcock

Rhonda Pagel Ramiro Salazar
Dona Davenport Lisa Parsons

President Baltimore called the meeting to order at 6:00 pm.

All Commissioners were present at roll call.

The Minutes of August 24, 2011 regular Board Meeting were presented for approval. Commissioner Nelson moved to approve the minutes and Commissioner Frens seconded the motion.

Approved: Unanimously

The Minutes of Special Meeting of September 7, 2011were presented for approval. Commissioner Nelson moved to approve the minutes and Commissioner Frens seconded the motion.

Approved: Unanimously

Resolution #1135 –Approval to write off uncollected rental accounts. The figure of \$3,754.40 reflects balances that are older than 90 days, covering April 1, 2011 through June 30, 2011. Commissioner Nelson moved to approve Resolution #1130, with Commissioner Robbins seconding the motion.

Approved: Unanimously

Election of Vice-president-President Baltimore asked for nominations for Vice-president. Commissioner Frens nominated Gina Nelson. President Baltimore asked for a motion to elect Gina Nelson Vice-president. Commissioner Frens moved to approve the motion. Commissioner Beverly seconded the motion.

Approved Unanimously

Ramiro Salazar, Finance Manager presented the Low Income Public Housing Central Office Cost Center and Housing Choice Voucher financial reports.

Director of Asset Mgmt., Forrest Babcock presented the Asset Management Overview and LaRoy Froh's August and September activities – PIC reporting continues to meet HUD's expectations

Mr. Babcock also reported on the Capital Fund Programs. Director Lake advised the board of the decision to utilize Anderson window for the LaRoy Froh project. She also reported we signed a contract with Laux Construction as the General Contractor for the Hildebrandt office and garage renovations.

Asset Manager's, Parsons, Pagel and Abood presented their individual reports on Mt. Vernon, Hildebrandt and South Washington respectively. Occupancy is still strong in all developments.

Vice-president Nelson spoke briefly to the online application system at DHS and recommended that we tell our clients not to use it at this time.

Kendra Schmidtman presented the Housing Choice Voucher Report to the Board noting the waiting list is completely depleted. Director Lake spoke about opening the HCV Waitlist – and what it will involve.

The Conflict of Interest Policy was presented to the Board – with suggested changes. Director Lake spoke about the reason for consideration of the changes. The Board was asked to review the policy for consideration at the next meeting.

Director Lake also presented Public Act 18 to the Board for their review. This is the Act that governs Housing Commissions.

President Baltimore welcomed new Commissioner Bryan Beverly to the Housing Commission.

The Board was presented with Lansing Community College's correspondence and offer in regards to the Oliver Tower lot and the City parking lot. Director Lake reminded the Board that we had amended our original disposition approval to include a land swap – but since the property swap was not moving forward– the original disposition approval remains in effect. Director Lake also reminded everyone that they are separate parcels.

Public Comment: Lisa Webb Sharpe spoke to the offer from LCC. When asked if the offer from LHC was valid if Oliver Tower, not including the City lot she responded: "certainly we are interested in obtaining the Oliver Tower site but I cannot speak specifically about LCC's interest in one lot and not the other at this time. However,

please do not construe this response as a lack of interest in the Oliver Tower site alone."

Gretchen Cochran spoke as an interested neighbor to Lansing Housing Commission. She complemented the staff on their enthusiasm and dedication to their jobs.

There being no further business, President Baltimore adjourned the meeting.

The meeting adjourned at 7:13 pm.

Lansing Housing Commission Policy No. 2012-1 Electronic Communication/Social Media Policy

PURPOSE

The purpose of Lansing Housing Commission's Electronic Communication and Social Media Policy is to maximize the benefits of electronic communications to LHC, and its employees and customers, protect LHC and its employees from liability and/or performance challenges, highlight the problems associated with inappropriate use of social media and describe the consequences of policy violations.

I. Company Property

As a productivity enhancement tool, LHC provides and encourages the business use of electronic communications (notably the Internet, voice mail, electronic mail, and fax). Electronic communications systems, owned by LHC, and all messages generated on or handled by these electronic communications systems, including back-up copies, are considered to be the property of LHC. Any attempt to violate, circumvent and/or ignore these policies could result in corrective action, up to and including termination. (Note: Computer and Electronic Equipment Policy #2009-11)

II. Authorized Usage

LHC's electronic communications systems must be used solely to facilitate the business of the company. Users are forbidden from using LHC electronic communication systems for private business activities, personal, or amusement/entertainment purposes. Employees are reminded that the use of company resources, including electronic communications, should never create either the appearance or the reality of inappropriate use. Inappropriate use may result in loss of access privileges and disciplinary action, up to and including termination. (Note: Section J Computer and Electronic Equipment Policy #2009-11)

III. Proper Usage

Employees are strictly prohibited from using LHC computers, e-mail systems, and Internet access (except at lunch or break) for personal reasons or for any improper purpose (at any time). Some specific examples of prohibited uses include, but are not limited to:

- A. Transmitting, retrieving, downloading, or storing messages or images which are offensive, derogatory, off-color, sexual in content, or otherwise inappropriate in a business environment.
- B. Making threatening or harassing statements to another employee, or to a vendor, customer, or other outside party.
- C. Transmitting, retrieving, downloading, or storing messages or images relating to race, religion, color, sex, national origin, citizenship status, age, handicap, disability, sexual orientation, or any other status protected under federal, state and local laws.
- D. Communicating confidential information to individuals inside or outside LHC or to other organizations, without specific authorization from management to do so
- E. Sending or receiving confidential or copyrighted materials without prior authorization.
- F. Soliciting personal business opportunities, or personal advertising.
- G. Gambling, monitoring sports scores, or playing electronic games.

IV. User Identification

Where electronic communication systems provide the ability to identify the activities of different users, these facilities shall be implemented. For example, electronic mail systems shall employ personal user-IDs and associated passwords to isolate the communications of different users. Fax machines that do not have separate mailboxes for different recipients may not support user separation.

V. User Accountability

Regardless of the circumstances, individual passwords must never be shared or revealed to anyone else besides the authorized user. To do so exposes the authorized user to responsibility for actions taken by others with the password. Violation of this could result in corrective action towards the authorized user and the person receiving the password, up to and including termination. If users need to share computer resident data, they should utilize message forwarding facilities, public directories on local area network servers, and other authorized information-sharing mechanisms. To prevent unauthorized parties from obtaining access to electronic communications, users must choose passwords, which are difficult to guess (for example, not a dictionary word, not a personal detail, and not a reflection of work activities).

VI. User Identity

Misrepresenting, obscuring, suppressing, or replacing a user's identity on an electronic communications system is forbidden. The user name, electronic mail address, organizational affiliation, and related information included with electronic messages or postings must reflect the actual originator of the messages or postings.

VII. No Expectation of Privacy

Employees should expect that all information created, transmitted, downloaded, received or stored in LHC computers may be accessed by LHC at any time, without prior notice. Employees should not assume that they have an expectation of privacy or confidentiality in such messages or information (whether or not such messages or information is password protected), or that deleted messages are necessarily removed from the system.

VIII. Regular Message Monitoring

Contents of electronic communications may be monitored and the usage electronic communications systems will be monitored to support operational, maintenance, auditing, security, and investigative activities. LHC reserves the right to disclose any electronic messages to law enforcement officials without prior notice to any employees who may have sent or received such messages. Users should structure their electronic communications in recognition of the fact that LHC will, from time to time, examine the content of electronic communications. Employees are reminded that all messages are LHC records. Therefore, LHC reserves the right to access and disclose all messages sent over its electronic messaging systems. LHC's IT vendor and Supervisors may review the electronic communications of the employees they supervise to determine whether there have been any breaches of security, violations of LHC policy or unauthorized actions on the part of the employee.

IX. Contents of Messages

Workers must not use profanity, obscenities, or derogatory remarks in electronic messages discussing employees, customers, competitors, or others. Such remarks—even when made in jest—may create legal problems such as trade libel, defamation of character, or harassment/discrimination claims.

Special caution is warranted because backup and archival copies of electronic mail may actually be more permanent and more readily accessed than traditional paper communications. Therefore, transmission of obscene or harassing messages to any other individual is strictly prohibited.

X. Message Forwarding

Recognizing that some information is intended for specific individuals and may not be appropriate for general distribution, electronic communications users should exercise caution when forwarding messages. LHC's sensitive information must not be forwarded to any party without the prior approval of a supervisor. Blanket forwarding of messages to parties outside LHC is prohibited unless prior permission of the supervisor has been obtained.

XI. Handling Information About Security

Users must promptly report all information security alerts, warnings, suspected vulnerabilities, and the like to their supervisor. Users are prohibited from utilizing LHC systems to forward such information to other users, whether the other users are internal or external to LHC.

XII. Public Representations

No media advertisement, Internet home page, electronic bulletin board posting, electronic mail message, voice mail message, or any other public representation about LHC may be issued unless it has first been approved by Executive Director, and/or legal counsel prior to usage.

XIII. Harassing or Offensive Materials

LHC computer and communications systems are not intended to be used for, and must not be used for the exercise of the workers' right to free speech. Sexually explicit words and images, ethnic slurs, racial epithets, religious or political statements or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs, or political beliefs may not be displayed or transmitted. Unwanted telephone calls, electronic mail, and internal mail are strictly prohibited and is cause for disciplinary action including termination. Users are encouraged to respond directly to the originator of offensive electronic mail messages, telephone calls, and/or other communications. If the originator does not promptly stop sending offensive messages, Users must report the communications to their supervisor and Human Resources.

LHC retains the right to remove from its information systems any material it views as offensive or potentially illegal.

XIV. Communication Using Social Media

Inappropriate communications, even if made on your own time using your own resources, may be grounds for discipline up to and including immediate termination. We encourage staff to use good judgment when communicating via blogs, online chat rooms, networking internet sites, social internet sites, and other electronic and non-electronic forums (collectively "social media"). The following is a general and non-exhaustive list of guidelines you should keep in mind:

1. Make it clear that the views expressed in social media are yours alone. Do not purport to represent the views of LHC in any fashion.

- 2. Do not disclose confidential or proprietary information regarding the company, your co-workers or customers. Use of copyrighted or trademarked company information, trade secrets, or other sensitive information may subject you to legal action. If you have any doubt about whether it is proper to disclose information, please discuss it with your manager.
- 3. Do not disclose information that could subject the company to legal liability. Data about certain financial transactions, confidential information as described by the U. S. Department of Housing and Urban Development, information about medical and health records, and other disclosures may be restricted by state or federal laws. If LHC is subjected to government investigation or financial liability based on your disclosures, the company may seek to hold you personally responsible.
- 4. Do not use LHC logos, trademarks, or other symbols in social media. You may not use the company name to endorse, promote, denigrate or otherwise comment on any product, opinion, cause or person.
- 5. Be respectful of the privacy and dignity of your co-workers and LHC clients. Do not use or post photos of co-workers without their express consent and do not post the same for clients under any circumstances.
- 6. Harassing, obscene, defamatory, threatening, or other offensive content must be avoided. Harassing or discriminatory comments, particularly if made on the basis of gender, race, religion, age, national origin, or other protected characteristic, may be deemed inappropriate even if the company name is not mentioned. If social media communications in any way may adversely affect your relationships at work or violate LHC policy, you may be subject to discipline up to and including immediate termination.
- 7. Ensure that engaging in social media does not interfere with your work commitments.

Violations of this Policy may result in discipline up to and including dismissal.

APPROVAL OF LANSING HOUSING COMMISSION'S ELECTRONIC COMMUNICATION POLICY - RESOLUTION NO. 1136

RECOMMENDATION:

Staff recommends adoption of Resolution No.1136 which adopts the Lansing Housing Commission's ("LHC") Electronic Communication Policy.

CONTACT PERSON:

Patricia Baines-Lake **Executive Director** (517) 372.7996

SUMMARY:

This Resolution creates a new Electronic Communication Policy which is designed to address an emerging nationwide problem which has spawned lawsuits.

BACKGROUND:

More and more U. S. Companies are being sued because of electronic communications of employees both during and after work hours. These lawsuits involve co-worker to coworker interactions, customer to employee interactions, and information which goes viral. LHC has daily interactions with the public during which the public has an expectation of privacy. With the expansion of electronic communication devices we have determined it is necessary to set forth rules and guidelines which cover this issue, provide direction to employees and establish an expectation for internal and external customers.

FINANCIAL CONSIDERATION:

There are no financial considerations associated with this policy. The intent is to protect LHC against a financial liability because of actions/inactions by employees.

POLICY CONSIDERATIONS;

One of the major governance responsibilities of the Board is to establish Policies which govern the operations of the LHC. Adopting the Electronic Communications Policy

fulfills the Board's fiduciary responsibility to approve LHC policies utilizing good governance practices.

Respectfully Submitted,

Patricia Baines-Lake, Secretary to the Board Lansing Housing Commission

APPROVAL FOR LANSING HOUSING COMMISSION TO ENTER INTO AN AGREEMENT WITH THE MUNICIPAL EMPLOYEES RETIREMENT SYSTEM ("MERS")TO PROVIDE 457 DEFERRED COMPENSATION SERVICES - RESOLUTION NO. 1137

RECOMMENDATION:

Staff recommends adoption of Resolution No. 1137 which authorizes the Executive Director to implement a 457 Deferred Compensation Plan for all Full Time Employees through the Municipal Employees Retirement System.

CONTACT PERSON:

Patricia Baines-Lake Executive Director (517) 372.7996

SUMMARY:

This Resolution creates an additional 457 Deferred Compensation Option for full time LHC employees.

BACKGROUND:

The Lansing Housing Commission currently offers two 457 Deferred Compensation Plan options to all full time employees. Neither plan has heavy participation. However, each of the current providers along with MERS made a presentation to employees at our October all staff meeting. After the presentation several Employees expressed an interest in the MERS 457 deferred compensation option. Staff evaluated the pros and cons of expanding the number of plans offered to employees and determined the administrative requirements attached to this additional plan are minimal. Therefore, based on the staff response and the interest we are making this recommendation.

NOTE: MERS is the agency which provides our defined retirement benefit. Many employees cited that as a reason for requesting that we consider adding MERS as a deferred compensation plan option.

FINANCIAL CONSIDERATION:

There no financial considerations associated with this additional deferred compensation plan option.

POLICY CONSIDERATIONS;

One of the major responsibilities of the Board is to provide governance over the operations of the LHC. Adopting Resolution 1136 fulfills the Board's fiduciary responsibility to provide governance to LHC.

APPROVAL OF LANSING HOUSING COMMISSION'S ACCOUNTS RECEIVABLE WRITE-OFF'S FOR THE THIRD QUARTER OF 2011 - RESOLUTION NO. 1138

RECOMMENDATION:

Staff recommends adoption of Resolution No.1138 which authorizes the finance division to write off accounts receivable in excess of 90 days for the period July 1, 2011 through September 30, 2011.

CONTACT PERSON:

Ramiro Salazar Finance Manager (517) 853.3066

SUMMARY:

This Resolution authorizes the finance division to write off \$913.95 (the full amount of resident balances that are older than ninety [90] days) covering July 1, 2011 -September 30, 2011.

BACKGROUND:

It is an industry practice to write off tenant receivables which are deemed uncollectable. The uncollected account balances for residents that moved out of LHC's portfolio between July 1, 2011 and September 30, 2011 total \$913.95. This figure was computed by taking the Aged Receivables for all tenants less the Aged Receivables for Active Tenants. As required by our policy this report is updated and presented to you quarterly for your approval.

FINANCIAL CONSIDERATION:

Writing off these receivables is an acknowledgement LHC's maximum exposure is \$913.95 for outstanding rent and other charges due from residents who moved out of an LHC property between July 2011 and September 2011. All accounts receivable are sent to a collection agency that pursues restitution. The collection agency is paid a portion of the amount recovered and LHC receives the balance. As such, the financial impact may be less than the amount written off.

POLICY CONSIDERATIONS:
This action is consistent with LHC's write off policy.

Respectfully Submitted,

Patricia Baines-Lake, Secretary to the Board Lansing Housing Commission

SUBJECT:

APPROVAL OF LANSING HOUSING COMMISSION'S REVISED CONFLICT OF INTEREST POLICY - RESOLUTION NO. 1139

RECOMMENDATION:

Staff recommends adoption of Resolution No. 1139 which adopts the Lansing Housing Commission's ("LHC") Revised Conflict of Interest Policy.

CONTACT PERSON:

Patricia Baines-Lake **Executive Director** (517) 372.7996

SUMMARY:

This Resolution revises LHC's Conflict of Interest Policy to address how we will resolve conflict caused by employees or Officers being/becoming HCV landlords.

BACKGROUND:

When LHC adopted the original Conflict of Interest policy in 2009 at least one employee was an existing HCV LHC landlord. In order to address this issue LHC ported the employees HCV (client) to another administering agency with jurisdiction in Ingham County. The policy did not envision how LHC would handle this issue if it arose again. We also did not realize how the policy might adversely affect employees or current and future Commissioners.

Based on how marketing for rental properties takes place at any given time both and employee or a Commissioner could inadvertently have an LHC HCV holder attempt to lease their unit. In addition, disallowing an employee or a Commissioner to lease to a LHC Voucher holder limits their ability to market their unit.

This policy revision seeks to allow employees and Commissioners to freely market their units while also ensuring non conflict of interest is created because of their positions. Additionally, rather than handling this issue on a case by case basis we are seeking to include a methodology for resolving the conflict in the body of the policy.

FINANCIAL CONSIDERATION:

When LHC ports a voucher the receiving agency can absorb the port and pay the subsidy from their HCV budget or bill the porting agency. Depending upon the payment standard there could be a reduction in the funds LHC has available to subsidize other voucher holders. The one unit which was ported when the policy was initially adopted was absorbed by MSHDA which cost us staff time and effort to process an additional voucher. Another unit was recently ported and not absorbed as of this date. If MSHDA does not absorb this Voucher it could reduce the funds LHC has to subsidize HCV recipients approximately \$720 per year plus the staff time associated with reissuing a voucher. The \$720 is the difference between LHC's payment standard and the receiving agency's payment standard.

POLICY CONSIDERATIONS:

One of the major governance responsibilities of the Board is to establish Policies which govern the operations of the LHC. Adopting the Electronic Communications Policy fulfills the Board's fiduciary responsibility to approve LHC policies utilizing good governance practices.

ASSET MANAGEMENT MONTHLY REPORT December, 2011 REPORTING MONTH

CONTACT PERSON:

Forrest Babcock Director of Asset Management

OVERVIEW:

Lansing Housing Commission communities continue to maintain occupancy. Our overall occupancy is at 96.95% for the month. The communities achieved an accuracy score of 100% on submissions to PIC with 91% of the recertification's completed. Less than three percent of our resident base was served notices due to lease violations. In this month we closed 82% of the routine work orders along with 100% of the emergency work orders. Accounts receivables increased.

OCCUPANCY:

In accordance with the new PHAS scoring system the method of determining vacancy has been changed, we now will use unit months occupied. This method looks at units vacant at the end of the month divided by the total units available for occupancy. Our achievement the month of December is as follows:

- Hildebrandt 99.4%,
- South Washington Park 97.1%.
- Mt Vernon 96.5%
- LaRoy Froh 94.8%

We have established the site based waiting lists; we expect to open the lists for specific unit sizes in the next three months. This month saw another pull from HCV and the holiday season.

LEASE ENFORCEMENTS:

Thirty eight households required either a written warning or lease violation letters in this month. Twenty required legal notice in the form of seven or thirty day notices for lease violations.

WORKORDERS:

Emergency work orders were closed at 100% for the month. Daily work orders had an 82% closure rate. Carry over work orders decreased by 5% this month.

ACCOUNTS RECEIVABLES:

Accounts receivables commission wide increased with receivable rates ranging from 5.9% to 22.5% our achievements for the month are:

- Hildebrandt 7.12%.
- Mt Vernon 13.24%,
- South Washington Park 8.7% and
- LaRoy Froh at 22.5%

Our rates have grown due to the Christmas moratorium on court actions and a change in management at LaRoy Froh.

MONTHLY HOUSING CHOICE VOUCHER INFORMATIONAL REPORT **DECEMBER 2011 REPORTING MONTH**

CONTACT PERSON:

Debra Baker **Housing Choice Voucher Coordinator**

OVERVIEW:

This report details the status of LHC's performance against HUD established benchmarks, highlights areas of concern, and identifies significant achievements. The highlights of this month's report are:

- 1. HUD requires PHA's to perform Quality Control ("QC") reviews on 24 waitlist files per year. 98% of the waitlist files drawn down must be drawn in accordance with LHC's policies. No files were drawn down in December. 100% of all waitlist files are being audited. 7 files were audited in December. No errors were reported.
- 2. HUD requires that at least 98% of the rents approved by LHC meet established rent reasonable standards. HUD requires LHC to conduct rent reasonable tests on 2 units per month. LHC performed QC reviews of 11 unit rents in December. The QC review indicated 100% of the rents approved by LHC in December met HUD's rent reasonableness standard.
- 3. HUD requires a QC review of 2 files per month to determine if proper documentation exists to make an accurate calculation of adjusted income. The LHC performed QC reviews on 3 files, or 1/2% of all current, non-waitlist participant files in December. 100% of the adjusted income was correct.
- 4. HUD requires that LHC perform QC inspections on 24 units per year, or an average of 2 units per month. The LHC performed 5 QC inspections in December. One new violation was found. Landlords are allowed 30 days to make repairs before payment is abated.

5. HUD requires 98% of any 24 hour HQS deficiencies to be completed within 24 hours. The LHC cited 5 24-hour HQS deficiencies in the month of December. 5 inspections or 100% were completed within 24 hours.

LANSING HOUSING COMMISSION 2012-2 CONFLICT OF INTEREST POLICY

- 1. No LHC employee, Commissioner, officer or their Relative shall:
- a. enter into any contract, subcontract or arrangement relating to any LHC project or activity involving the expenditure of public funds, in which any employee, officer or member of LHC or their Relative during his or her tenure, or for one (1) year thereafter, has any direct or indirect financial or other interest.
- b. solicit or accept employment with any LHC Contractor, Subcontractor or Supplier or with any potential LHC Contractor, Subcontractor, or Supplier during the employee, officer or member's tenure with LHC or for one (1) year thereafter.
- c. engage in a business or other employment related to the housing industry without the prior, written approval of LHC.

If a LHC employee is approved to engage in a business or other employment related to the housing industry, the employee shall not process any Housing Assistance Payment contracts for or refer LHC customers to any properties with which the employee may be associated through the business or the employment.

If an LHC officer is engaged in a business or employment related to the housing industry, the officer shall not vote or participate in discussions on any policy and/or proposal where he/she might benefit financially.

- 2. No LHC employee, officer or member or their Relative shall be (i) a present or former LHC Commissioner, (ii) a present or former LHC employee who assists (assisted) in the formulation of policy or who influences (influenced) decisions on projects or contracts within the last twelve (12) months, or (iii) a Prohibited Person.
- 3. No LHC employee, officer or member or their Relative or a company in which the LHC employee, officer or member or their Relative has a direct or indirect financial or other interest shall have a direct or indirect financial or other interest in any housing assistance contract, i.e., Housing Choice Voucher ("HCV") HAP contract or otherwise, with LHC during the employee, officer or member's tenure or for one (1) year thereafter.

No LHC officer, employee or commissioner may lease a unit to a HCV participant unless that voucher is ported to another agency.

If a HCV is ported to another agency as discussed above, the action must be reported at the next subsequent LHC board meeting.

4. For purposes of this policy, the following definitions apply:

Relative

Means parents, siblings, children, grandparents, grandchildren, uncles, aunts, first cousins, nieces, nephews, spouses, in-laws, i.e., father, mother, son, daughter, brother, sister-in-law, step-parents, step-children, step-siblings, half-siblings.

LHC Contractors, Subcontractors or Suppliers

Means any business or person who submitted, or participated in, a bid in response to a LHC procurement of goods or services or otherwise has participated directly or indirectly in supplying goods and services to LHC.

Prohibited Person

Means any public official, member of the Lansing City Council or a Michigan legislator who exercises functions or responsibilities with respect to LHC.

- 5. LHC expressly reserves the right to waive the prohibitions of this policy where the Commission reasonably determines the interest in or benefit to be derived by the LHC employee, officer or member is de minimus or is vastly outweighed by the benefit to be derived by LHC. However, no waiver shall be granted if it would violate any applicable federal, state or local regulation or law, or the terms and conditions of the Annual Contributions Contract entered into between the LHC and HUD, as amended ("ACC") from time to time.
- 6. The standard of conduct here imposed upon the LHC, its employees, officers and members in implementing this policy shall not be merely to avoid the conduct prohibited herein (subject to the Commission's right of waiver) or under any applicable law, regulation or the ACC, but to avoid even the appearance of improper conduct.
- 7. All LHC officers and employees shall annually complete a Conflict of Interest Disclosure Form to enable LHC to monitor compliance with this policy.
- 8. This policy adopted by Resolution No. 1077, on November 16, 2009 and revised on January 24, 2012 and by this reference, any applicable federal, state or local regulation or law shall constitute LHC's Conflict of Interest Policy.

LHC achieved HUD objectives for PIC reporting rates

LHC is Utilizing Capital Funds consistent with HUD expectations

LHC is current with HUD reporting requirements.

LHC maintained an overall occupancy rate in excess of 97%

National Equity Fund Asset Manager conducted a file review of Oliver Gardens in

October and stated "the condition of the tenant files was exceptional

Housing Compliance Specialists, LLC, conducted the annual Oliver Gardens File audit for MSHDA and found them to be in compliance with program requirements. No response required.

CONCLUSION:

The Lansing Housing Commission continues to strive to improve its operations.

We continue to work towards the following goals:

- increasing Housing Choice Voucher Program utilization to approximately 1600 participants
- identifying funds to pay for a new office which is less costly to operate and maintain than 310 Seymour (the potential Sale of Oliver did not work out)
- maintaining 97% plus occupancy
- · reducing backlogged work orders -
