HONORABLE MEMBERS IN SESSION

SUBJECT:

APPROVAL OF LANSING HOUSING COMMISSION'S ACCOUNTS RECEIVABLE WRITE-OFF'S FOR THROUGH JUNE 30, 2012 - RESOLUTION NO. 1150

RECOMMENDATION:

Staff recommends adoption of Resolution No.1150 which authorizes the finance division to write off accounts receivable related to all vacated units for the period of May 1, 2012 through June 30, 2012.

CONTACT PERSON:

Ramiro Salazar Financial Manager (517) 853.3066

SUMMARY:

This Resolution authorizes the finance division to write off resident receivables not to exceed \$4,998.19 (the full amount of balances related to vacated units covering May 1, 2012 – June 30, 2012).

BACKGROUND:

Per its Write-off Policy, LHC considers receivables related to inactive residents uncollectable and immediately eligible for write-off. It is an industry practice to write off resident receivables which are deemed uncollectable. The uncollected account balances for residents that moved out of LHC's portfolio between May 1, 2012 and June 30, 2012 total \$4,998.19. This figure was computed by taking the Aged Receivables for all residents less the Aged Receivables for Active Residents. In accordance with the Policy adopted last month resident write offs will be updated and presented monthly for your approval.

FINANCIAL CONSIDERATION:

Writing off these receivables is an acknowledgement LHC's maximum exposure is \$4,998.19 for outstanding rent and other charges due from residents who vacated an LHC property between May 1, 2012 and June 30, 2012. All accounts receivable in excess of \$300.00 are sent to a collection agency that pursues restitution. The

collection agency is paid a portion of the amount recovered. As such, the financial impact is less than the amount written off.

POLICY CONSIDERATIONS:

This action is consistent with LHC's write off policy.

Respectfully submitted,

Patricia Baines Lake, Secretary to the Board

SUBJECT:

APPROVAL OF LANSING HOUSING COMMISSION'S OPERATING BUDGET FOR THE 2011-2012 FISCAL YEAR - RESOLUTION NO. 1151

RECOMMENDATION:

Staff recommends approval of Resolution No. 1151, which approves Lansing Housing Commission's 2012-2013 Fiscal Year Operating Budget for all Programs, Low Income Public Housing AMPS, Housing Choice Voucher and Central Office Cost Center.

CONTACT PERSON:

Patricia Baines Lake Executive Director 517 372.7996

SUMMARY:

The program budgets provide parameters for making sound financial decisions affecting each LHC program for the 2012-2013 fiscal year.

BACKGROUND

The Code of Federal Regulations under Title 24 Part 990 (The Public Housing Operating Fund Program) requires Board approval of all operating budgets before the fiscal year commences. The resulting Board resolution must then be filed at the local field office as HUD-form 52574. The attached budgets for the Low Income Public Housing Program ("LIPH"), Housing Choice Voucher Program ("HCV") and Central Office Cost Center ("COCC") are compliant with this HUD requirement.

The most recent LHC audit (Fiscal Year 2010-2011) indicates that the agency programs have not operated as effectively as desired. In order to address budget overages for the FY 2012-2013, the following steps were taken:

- COCC staff was reduced by two positions.
- HCV program leased up an additional 120+ units.
- HCV program also increased its VASH vouchers by 60.
- HCV unit inspections continue to be completed by existing staff.
- One HCV Assistant resigned, and another was promoted to an Assistant Asset Manager Position.- those positions will not be filled.

- A reorganization of the HCV division is planned in order to bring operating costs in line with the income and budget.
- Effective July 1, 2012, non-CBU employees will now pay 5% of their gross pay towards retirement benefits provided through MERS.

FINANCIAL CONSIDERATIONS:

These budget projections are based on last year's actual operating expenses, and the HCV reorganization costs less adjustments made to reflect a breakeven operation in all program areas.

POLICY CONSIDERATIONS:

One of the major governance responsibilities of the Board is to set policy for LHC. Approval of the budgets falls within the Board governance responsibilities.

Respectfully submitted,

Patricia Baines Lake, Secretary to the Board

HONORABLE MEMBERS IN SESSION

SUBJECT:

APPROVAL TO PURCHASE 405 CHERRY STREET, LANSING, MICHIGAN, TO REPLACE LANSING HOUSING COMMISSION'S CENTRAL OFFICE SPACE CURRENTLY LOCATED AT 310 SEYMOUR – RESOLUTION 1152

RECOMMENDATION:

Staff recommends adoption of Resolution 1152 which authorizes the Executive Director or her designee to purchase property located at 405 Cherry Street, Lansing, Mi. from Davenport University.

CONTACT PERSON:

Patricia Baines-Lake Executive Director

SUMMARY:

Board approval of this request will permit LHC to purchase property located at 405 Cherry Street from Davenport University. Davenport University will provide a mortgage loan for this purchase.

BACKGROUND:

The U. S. Department of Housing and Urban Development ("HUD") directed all large Public Housing Authorities to transition to site based management in 2007. LHC transitioned to site based management in the 2009 budget year. Consistent with the change to site based management, the Central Office Administrative offices provide space for the Housing Choice Voucher Program. Both offices are located at 310 Seymour which is in adequate.

More than a decade ago there was a serious fire in Oliver Tower, 310 Seymour, the High-rise residential building attached to LHC's Central Office space. Several years ago HUD authorized LHC to demolish/dispose of Oliver Towers because of its physical condition and obsolesce. LHC has not taken any action to finalize this transaction. There are serious deficiencies associated with the current office space. As such, the need to proceed with the disposition of Oliver Towers is essential and. we are now

presented with the opportunity to purchase office space which meets all of LHC's objectives. The proposed central office is:

- located downtown
- near/on a major bus route
- accessible and
- includes free parking

The \$950,000 purchase price is reasonable for class B office space, inclusive of parking, located in downtown Lansing. Modest rehab of the space is required in order to meet LHC's structural needs. C2AE Architects, Engineering and Planning firm performed a Building study which included a physical inspection and structural evaluation of the property, building and major systems. They determined there were no significant structural or physical problems with the building or systems.

The square footage is slightly larger than LHC requires. However, LHC can lease the excess space to offset the monthly operating costs. Occupancy is not immediate. LHC's projected occupancy will occur in August/September 2013, after Davenport University vacates the property.

The total purchase price of \$950,000 shall be paid by the Central Office. Upon closing, LHC will make a down payment of \$250,000.000. Davenport University will hold a \$700,000 mortgage for up to 10 years. The initial interest rate on this mortgage loan is 2.44% and it shall commence when the mortgagee tenders possession of the property to the mortgagor (projected as August 2013. This interest rate will be adjusted periodically based on Davenport's cost of borrowing plus 1% which is twenty five (25) basis points plus seventy-five percent (75%) of the sum of (x) the thirty (30) day LIBOR and (y) one hundred thirty five (135) basis points per annum, computed on the basis of a 360 day year for the actual number of days outstanding. The interest rate is not projected to increase significantly over the next several years. However, there is no interest rate guarantee. LHC will service the debt by making monthly payments of \$5,000.00 out of the Central Office Cost Center commencing July 28, 2012.

If the debt to Davenport University is not repaid in full at the end of six years LHC must pay Davenport University a second lump sum payment of \$250,000.00 June 28, 2018. This infusion of cash must be paid by the COCC if Oliver Towers has not sold. The remaining mortgage balance must be paid by June 28, 2022.

NOTE: The sale of Oliver, 310 Seymour is a key linchpin of the proposed financing for this transaction as LHC intends to utilize these funds to repay COCC for the outlay of cash required to purchase this property including:

- providing the initial down payment,
- servicing the ongoing debt.
- providing a 2nd infusion of cash

The mechanics of the transaction are described under Financial Considerations below. In addition, the loan documents are available for review upon request.

FINANCIAL CONSIDERATIONS

Purchase Price	\$950,000.00	
Down payment	250,000.00	COCC
Mortgaged Amount	\$700,000.00	
Mortgage Term	10 years	
Cash infusion	\$250,000.00	June 28, 2018
Monthly Payments	5,000.00	

NOTE: although the COCC will bear the costs of this transaction the proceeds from the sale of Oliver Tower will be used to reimburse the COCC's account and to pay any remaining indebtedness to Davenport University at the time of sale.

POLICY CONSIDERATIONS:

LHC has no specific policy regarding this action. However, approval of this transaction is exclusively within the Board's authority. Purchase of this property for Central Office operations is consistent with LHC's operating objectives. HUD approval is not required as the funds utilized to purchase this property are de-federalized. The sale of Oliver Towers and use of those proceeds to repay this loan and reimburse Central Office for the expenditures described is essential. The purchase of a Central Office is a permissible use of Oliver Tower proceeds with HUD approval

Respectfully submitted:

SUBJECT:

MONTHLY HOUSING CHOICE VOUCHER INFORMATIONAL REPORT MAY 2012 REPORTING MONTH

CONTACT PERSON:

Kendra Schmidtman Housing Choice Voucher Coordinator

OVERVIEW:

This report details the status of LHC's performance against HUD established benchmarks, highlights areas of concern, and identifies significant achievements. The highlights of this month's report are:

- 1. HUD requires PHA's to perform Quality Control ("QC") reviews on 24 waitlist files per year. 98% of the waitlist files drawn down must be drawn in accordance with LHC's policies. No files were drawn down in May. 100% of all waitlist files are being audited. 13 files were audited in May. No errors were reported.
- 2. HUD requires that at least 98% of the rents approved by LHC meet established rent reasonable standards. HUD requires LHC to conduct rent reasonable tests on 2 units per month. LHC performed QC reviews of 9 unit rents in May. The QC review indicated 100% of the rents approved by LHC in May met HUD's rent reasonableness standard.
- 3. HUD requires a QC review of an average of 2 files per month to determine if proper documentation exists to make an accurate calculation of adjusted income. The LHC performed QC reviews on 2 files, or ½% of all current, non-waitlist participant files in May. 100% of the adjusted income was correct.
- 4. HUD requires that LHC perform QC inspections on 24 units per year, or an average of 2 units per month. The LHC did not perform any QC inspections in May, however 40 QC inspections have been completed year-to-date which exceeds HUD's completion standard.
- 5. HUD requires 98% of all 24 hour HQS deficiencies to be completed within 24 hours. The LHC cited 3 24-hour HQS deficiencies in the month of May. 100%

were completed within 24 hours. Overall for the year the LHC exceeds HUDS 98% completion standard.

Respectfully submitted,

Patricia Baines Lake, Secretary to the Board

Lansing Housing Commission

ASSET MANAGEMENT MONTHLY REPORT MAY, 2012 REPORTING MONTH

CONTACT PERSON:

Forrest Babcock **Director of Asset Management**

OVERVIEW:

Lansing Housing Commission communities continue to maintain occupancy. Our overall occupancy is at 97.2% for the month. The communities achieved an accuracy score of 99.2% on submissions to PIC with 87% of the recertification's completed. Two percent of our resident base was served notices due to lease violations. In this month we closed 97.2% of the routine work orders along with 100% of the emergency work orders. Accounts receivables increased due to a change in computing to 18.8%

OCCUPANCY:

In accordance with the new PHAS scoring system the method of determining vacancy has been changed, we now will use unit months occupied. This method looks at units vacant at the end of the month divided by the total units available for occupancy. Our achievement the month of April is as follows:

- Mt Vernon 96%,
- Hildebrandt 98%
- South Washington Park 96%
- LaRoy Froh 98%

We have established the site based waiting lists; we expect to open the lists for specific unit sizes in the next two months.

LEASE ENFORCEMENTS:

Forty six households received lease warnings, forty four received lease violations and twenty three received notices to quit/ lease terminations.

WORKORDERS:

Emergency work orders were closed at 100% for the month. Daily work orders had a 97.2% closure rate. Carry over work orders increased slightly.

ACCOUNTS RECEIVABLES:

Accounts receivables commission wide increased due to a change in the method of computing the recivables. The dollar amount remained consistant with the execption of LaRoy Froh who saw an increase.

- Mt Vernon 9.50%
- South Washington 12.50 %,
- Hildebrandt 23.2%
- LaRoy Froh 34.9%
