HONORABLE MEMBERS IN SESSION:

SUBJECT:

Approval of Lansing Housing Commission's Account Receivable Write-Off's for April 2014 - Resolution No. 1203

RECOMMENDATION:

Staff recommends adoption of Resolution No.1203 which authorizes the finance division to write off accounts receivable on closed-out resident accounts as of the end of April 2014.

CONTACT PERSON:

Ramiro Salazar Financial Manager (517) 853.3066

SUMMARY:

This Resolution authorizes the finance division to write off \$8,337.00 (the full amount of resident balances on accounts closed as of **April 30**, **2014**. The previous three month's write-off balances were:

- March 2014 \$14,965.87
- February 2014 \$9,532.18
- January 2014 \$2,149.00

BACKGROUND:

It is an industry practice to write off resident receivables which are deemed uncollectable. The uncollected account balances for residents that moved out of LHC's portfolio as of **April 30, 2014 total \$8,337.00**. This figure was computed by taking the Aged Receivables for all residents less the Aged Receivables for Active residents. A breakdown of accounts receivable categories relating to this write-off amount appears in Attachment (A). As required by our policy this report is updated and presented to you monthly for your approval.

FINANCIAL CONSIDERATION:

Writing off these receivables is an acknowledgement LHC's maximum exposure is \$8,337.00 for outstanding rent and other charges due from residents who moved out of an LHC property as of April 30, 2014. All accounts receivable are sent to a collection agency that pursues restitution. The collection agency is paid a portion of the amount recovered. As such, the financial impact may be less than the amount written off.

POLICY CONSIDERATIONS:

This action is consistent with LHC's write off policy.

Patricia Baines-Lake, Executive Director

Respectfully Submitted,

Patricia Baines-Lake, Secretary to the Board

Lansing Housing Commission 419 Cherry St. Lansing, Michigan 48933

HONORABLE MEMBERS IN SESSION:

SUBJECT:

Approval of Lansing Housing Commission's Operating Budget for the 2014-2015 The Fiscal Year-Resolution No. 1204

RECOMMENDATION:

Staff recommends approval of Resolution No.1204 which approves Lansing Housing Commission's 2014-2015 Fiscal Year Operating Budget for all Programs, Low Income Public Housing AMPS, Housing Choice Voucher, Central Office Cost Center, and Shelter + Care.

CONTACT PERSON:

Patricia Baines-Lake Executive Director (517) 372-7996

SUMMARY:

The program budgets reflect anticipated expenditures based on prior year actuals and anticipated rate changes and program changes. This also provides parameters for making sound financial decisions affecting each LHC program for the 2014-2015 fiscal year.

BACKGROUND:

The Code of Federal Regulations under Title 24 Part 990 (The Public Housing Operating Fund Program) requires Board approval of all operating budgets before the fiscal year commences. The resulting Board resolution must then be filed at the local field office as HUD-form 52574. The attached budgets for the Low Income Public Housing Program ("LIPH"), Housing Choice Voucher Program ("HCV") and Central Office Cost Center ("COCC") are compliant with this HUD requirement.

LHC must continue to remain as fiscally conservative as possible. Recent news regarding the latest House Appropriations Bill that will cut housing assistance funding by \$510 million suggests that LHC must seek additional avenues to strengthen our operating position and

address legacy costs. In order to address these challenges for the FY 2014-2015, the following issues were taken into consideration:

- Continued use of outside contracting to aid in the process of Unit Turnaround, which will increase occupancy levels in LIPH.
- Attempting to sell Oliver Towers which will provide funds for "eligible public housing purposes".
- Energy Savings Cost measures which will be experienced from the recently completed renovations performed by Honeywell in FY 2014.

FINANCIAL CONSIDERATION:

These budget projections are based on last year's actual operating expenses, current staffing configurations, current operational methods including Maintenance Contracts, and that LHC is funding represented employees' benefits at FY2014 compensation levels.

POLICY CONSIDERATIONS:

One of the major governance responsibilities of the Board is to set policy for LHC. Approval of the budget falls within the Board governance responsibilities.

Respectfully Submitted,

Patricia Baines-Lake, Executive Director

SUBJECT:

Monthly Housing Choice Voucher Informational Report April 2014 Reporting Month

CONTACT PERSON:

Debra Baker Housing Choice Voucher Coordinator

OVERVIEW:

This report details the status of LHC's performance against HUD established benchmarks, highlights areas of concern, and identifies significant achievements. The high-lights of this month's report are:

- 1. HUD requires PHA's to perform Quality Control ("QC") reviews on 24 waitlist files per year. 98% of the waitlist files drawn down must be drawn in accordance with LHC's policies. Fifty (50) files were drawn down in April. 100% of all waitlist files are being audited. Zero (0) files were audited in April.
- 2. HUD requires that at least 98% of the rents approved by LHC meet established rent reasonable standards. HUD requires LHC to conduct rent reasonable tests on two (2) units per month. The LHC performed six (6) QC reviews of unit rents in April. The QC review indicated 100% of the rents approved by LHC in April met HUD's rent reasonableness standard.
- 3. HUD requires a QC review of an average of two (2) files per month to determine if proper documentation exists to make an accurate calculation of adjusted income. The LHC completed six (6) QC file reviews on non-waitlist participant files in April. Zero (0) errors were reported.
- 4. HUD requires that LHC perform QC inspections on 24 units per year, or an average of two (2) units per month. Six (6) QC inspections were completed in April. Six (6) units met HQS requirements.

5. HUD requires 98% of all 24-hour HQS deficiencies to be completed within 24-hours. The LHC cited nine (9) 24-hour HQS deficiencies in the month of April. 100% of all 24-hour HQS deficiencies were corrected within 24-hours.

Respectfully submitted,

Patricia Baines-Lake, Executive Director

Patricia Baines Lake, Secretary to the Board Lansing Housing Commission

April 2014 Modernization Report

CONTACT PERSON:

Patricia Baines-Lake Executive Director

CURRENT MODERNIZATION ACTIVITIES AND OVERVIEW:

This report provides an overview of the March modernization activities for LHC properties. LHC put their first resident (Section 3) to work. Janell hired one of our residents to help clean up debris from the winter ice storm.

South Washington Park

LHC bid out Door Replacements and Security for South Washington Park. We only received one bid. LHC will review scope of work and rebid the project.

Mt. Vernon

Contractors have been busy modernizing the Mt. Vernon Community Room. Gyp-Crete will be poured to level the floor. Electrical and Dry Wall has been installed. Painting starts next week. We expect the project will be finished on or before schedule.

Asset Manager, Kendra Schmidtman held her Section 3 Orientation on Wednesday, April 23, 2014. Kendra had a very good turn out even though she had to hold it at another site. Seventeen (17) residents showed up for the morning meeting.

HONEYWELL ESCO PROJECT

The ESCO projects will soon be completed. The Water Management portion of the project was completed on April 23, 2014. The Lighting contractors are working at Hildebrandt. Hildebrandt insulation is complete. Insulators are working at Mt. Vernon. Weather strippers are at LaRoy Froh. We expect all projects to be complete by May 16th. A final closeout meeting will commence the following week.

All maintenance staff attended Caroma Water Management training. They were instructed on how to fix the new water closets which were installed under the ESCO project.

FUTURE MODERNIZATION ACTIVITIES

Hobbs and Black Architects continue to work on the drawings for the kitchen and bath remodel at Hildebrandt Park. MC Smith is working on Mt. Vernon kitchen and bath drawings and DLZ will soon start their work on the LaRoy Froh drawings.

ADDITIONAL ACTIVITIES

The Certificate of Completion was signed for 3856 Wilson; and LHC took possession of the unit on April 18th. Bids for the Fire Restoration at 1513 Comfort were opened. MC Smith Architect has recommended that the project be awarded to First Contracting. This work will commence shortly.
