

Announcement: June 4, 2021

Housing Choice Voucher Waitlisting will be opening soon!

The Lansing Housing Commission is anticipating opening their waiting list sometime in July 2021. Therefore, we are giving you the opportunity to start gathering client information that will help them complete the online application.

To complete the application, you will need to create an email address for each applicant. They will need this email address to log in and check their application status once they apply. It is also needed to update a lost password for waitlistcheck.com, therefore each applicant needs a unique email that can be accessed. Please remember LHC staff does not answer application questions over the phone, or in person.

Applicants will also need the following for each household members who will be living them should they receive a voucher.

- Name
- Date of Birth
- Social Security Number
- Annual income received for each source of income for household member.

It would also be helpful if they provide an emergency contact, as it gives LHC an extra opportunity to contact an applicant should they get selected for our waiting list.

LHC will send out a second notice when we have an exact date in which we anticipate an actual date of opening.

Remember all applications must be completed online by going to www.lanshc.org
