Executive Director's Comments:

Activities

Capital Projects

 Looking into development options for Oliver Gardens (30 units) to renovate and potentially add units. Looking to submit tax credit for this project in April

RAD Activities

LaRoy Froh will be closing February 2022

Other Activities

- Union negotiations Finalizing a few items and working through approvals. Contract ends on 12-31-21.
- Fire restoration plan for COCC Delays due to supply chain issues, specifically heating/air control units that provide primary ventilation for the building. Current deliver date is scheduled for 4-1-22, but there is a search for a temporary work around taking place to provide occupancy prior to 4-1-21.
- Santa's Workshop Very successful! LHC Employees, Board Members and Vendors provided Christmas gifts for 28 families. Big thanks for Vic Verchereau, Kim Shirey, and the staff for their effort in organizing/wrapping and making the Christmas a little brighter for several of our residents.
- Home sales for 80% AMI Continue to work with Habitat for Humanity on making scattered sites available for sale to residents in the Lansing area who are below 80% AMI.
- Holy Cross grant reassignment Decision to no longer run HARA and 4 grants which include PSH1, PSH2, PSH bonus, family Rapid Rehousing and a Rapid Rehousing program for individuals with addiction disorder. In total this is impacting 80 families/landlords and 30 employees. LHC currently administers a PSH program, and we ultimately negotiated with the City of Lansing, Holy Cross, CAHP COCC to assume 4 of these grants. We offered 6 individuals to join the LHC Staff and family. We have agreed to assume these grants until the end of their current grant periods. We are still evaluating the financial impact but have run them successfully and are confident that we can get these grants moving in the right direction. It will be determined at a future date if we will continue to operate these grants long term.

• In addition, we made a commitment to the Capital Area Housing Partnership, who is taking on the HARA responsibilities that if there are losses that we will backstop them for 90 days up to \$100,000. Determination of how to measure that is being assessed.

Lansing Housing Commission 419 Cherry St. Lansing, Michigan 48933

HONORABLE MEMBERS IN SESSION:

SUBJECT:

Approval to revise the Resident Selection Criteria for Capital City Apartments formally known as South Washington Park Apartments - Resolution No. 1333.

RECOMMENDATION:

Staff recommends the Board authorize Doug Fleming, acting in his capacity as Executive Director, to approve the recommended change to the Resident Selection Criteria for Capital City Apartments.

CONTACT PERSON:

Doug Fleming, Executive Director

SUMMARY

This resolution authorizes LHC to revise the preferences adopted for Capital City Apartment.

BACKGROUND:

Project Owners may adopt a preference for elderly single persons pursuant to 24 CFR 5.655 (c) (5) and Housing Handbook 4350.3, Chapter 4, provided the adoption of such preference can be implemented consistent with the resident' right of continued occupancy.

Capital City Apartments formally known as South Washington Park Apartments adopted an elderly preference effective April 1, 2021. Such preference was outlined and detailed in the Project's Resident Selection Criteria/Tenant Selection and Assignment Plan.

In an effort to ensure compliance with the State of Michigan's Elliott- Larsen's Civil Rights Act of 1976, there is a need to broaden the "elderly" preference to include the "near-elderly".

Article 5, 37.2503 of the Elliott-Larsen's Civil Rights Act states, with respect to the age provision and the familial status provision only, the sale, rental, or lease of housing accommodations meeting the requirements of federal, state, or local housing programs for senior citizens, or accommodations otherwise intended, advertised, designed or operated, bonafide, for the purpose of providing housing accommodations for persons 50 years of age or older.

As such, if adopted, in addition to the established Elderly Preference, there will be a secondary preference for the Near-Elderly.

FINANCIAL CONSIDERATIONS

There are no final considerations.

POLICY CONSIDERATIONS:

LHC has no specific policy regarding this action. However, Board approval was a required corrective action in the 2015 Office of Inspector General Audit.

Respectfully Submitted,

Doug Fleming, Secretary to the Board Lansing Housing Commission
