All 4 community projects included the use of low-income housing tax credits (LIHTC) through MSHDA.</i></p> <p><i>In calendar year 2022 LHC successfully applied for and was approved by HUD for the disposition of 191 scattered site houses throughout the city of Lansing. The units were officially disposed of in calendar year 2023.</i></p>

Also in calendar year 2023 LHC applied for the disposition of another 44 scattered sites through HUD's Section 18 program. The application is still being reviewed by HUD. LHC intends to dispose of the 44 scattered sites in calendar year 2023, if the submitted application is approved by HUD. This will include conversion of units to PBV via TPV.

In 2023 LHC intends to move forward with RAD or Section 18 projects at Forest (in-progress) and Hoyt. These projects may include the use of HUD's transfer of assistance (TOA) options.

LHC has 4 remaining scattered sites that it intends to convert from public housing to Section 8 platform via HUD's programs like Section 18.

Within the next 2 years LHC expects to have converted its entire public housing stock to Section 8 platforms via RAD, Section 18, etc.

LHC intends to use proceeds from the above activities to increase the supply, availability, and utilization of low-income housing through development of new units. Additionally, LHC may engage in acquisition rehab projects.

Furthermore LHC looks to continue and expand its resident service programs.

Also LHC will continue to evaluate the use of project-based vouchers to support affordable development projects in the City of Lansing. These are typically used to support development teams seeking low-income housing tax credit projects. LHC has a process to review development teams and projects. The amount is dependent on projects seeking interest, but will likely range from 0 – 50.

### B.3

#### Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.

A large part of LHC's goals over the past 4 years have been implementing its strategic initiatives with limited disruption to residents and regular operations. LHC has successfully closed 4 projects (527 units) of RAD/Section 18 blends with MSHDA LIHTC and disposed of 191 scattered sites via HUD's Section 18 program. LHC believes it has successfully rehabbed the RAD units and converted the scattered sites to vouchers while going above and beyond standard resident rights. These programs will benefit residents, the units, and the community for the long term.

LHC has maintained strong occupancy rates.

LHC has worked with local partners to continue to provide relevant resident service programs for its residents.

As LHC gets close to improving and converting the last of its public housing stock, it now looks to develop new units in the area, to further its commitment to the development and management of quality, affordable, and fair housing options in a compassionate, healthy, and safe way. LHC will deliver impactful resident services while maintaining the highest performance standards and outcomes.

The PHA may incorporate information on occupancy by over-income families into its PHA Plan statement of deconcentration and other policies that govern eligibility, selection, and admissions. See additional guidance on HUD's website at: [Notice PIH 2011-7](#). (24 CFR 960.503) (24 CFR 903.7(b))

The PHA must include the number and location of the units to be occupied by police officers, and the terms and conditions of their tenancies; and a statement that such occupancy is needed to increase security for public housing residents. A "police officer" means a person determined by the PHA to be, during the period of residence of that person in public housing, employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments. An officer of an accredited police force of a housing agency may qualify. ☒ **Project-Based Vouchers.** Describe any plans to use Housing Choice Vouchers (HCVs) for new project-based vouchers, which must comply with PBV goals, civil rights requirements, Housing Quality Standards (HQS) and deconcentration standards, as stated in 983.57(b)(1) and set forth in the PHA Plan statement of deconcentration and other policies that govern eligibility, selection, and admissions. If using project-based vouchers, provide the projected number of project-based units and general locations, and describe how project-basing would be consistent with the PHA Plan (24 CFR §903.7(b)).

**B.4 Capital Improvements.** PHAs that receive funding from the Capital Fund Program (CFP) must complete this section (24 CFR §903.7(g)). To comply with this requirement, the PHA must reference the most recent HUD approved Capital Fund 5 Year Action Plan in EPIC and the date that it was approved. PHAs can reference the form by including the following language in the Capital Improvement section of the appropriate Annual or Streamlined PHA Plan Template: "See Capital Fund 5 Year Action Plan in EPIC approved by HUD on XX/XX/XXXX."

(24 CFR §903.15). **Note:** A PHA may request to change its fiscal year to better coordinate its planning with planning done under the Consolidated Plan process by State or local officials as applicable.

**C.3 Civil Rights Certification/ Certification Listing Policies and Programs that the PHA has Revised since Submission of its Last Annual Plan.** Provide a certification that the following plan elements have been revised, provided to the RAB for comment before implementation, approved by the PHA board, and made available for review and inspection by the public. This requirement is satisfied by completing and submitting form HUD-50077 ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed*. Form HUD-50077-ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed* must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154 or 24 CFR 5.160(a)(3) as applicable; (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations, impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. (24 CFR §903.7(o)).

**C.4 Challenged Elements.** If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

If the PHA is not troubled, mark "N/A." (24 CFR §903.9)

#### **D. Affirmatively Furthering Fair Housing (AFFH).**

**D.1 Affirmatively Furthering Fair Housing.** The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing ...." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

**Housing Choice Voucher De-Concentration Policy**

---

### **Purpose**

The purpose of the Lansing Housing Commission's ("LHC") De-Concentration Policy is to establish a framework for staff to follow in order to ensure compliance with the requirements to expand Housing Opportunities as detailed in 24 CFR 982.54 (d)(5), 982.153 (b)(3) and (b)(4), 982.301 (a) and (b)(12).

### **Overview**

In accordance with 24 CFR 982.54 (d)(d), 982.153 (b)(3) and (b)(4), 982.301 (a) and (b) (12) PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in the PHA's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of landlords, representing all types and ranges of affordable housing in the PHA's jurisdiction, are willing to participate in the HCV program. PHAs must also ensure program participants are aware of this HUD initiative and provide information on how to seek housing outside of these designated areas.

### **Implementation Landlords**

The LHC will conduct regular landlord outreach events to encourage property owners outside of areas of poverty or minority concentration to lease units to Housing Choice Voucher ("HCV") participants. Educational information will be provided to ensure that owners are familiar with the benefits of leasing to HCV Program and its advantages. These outreach strategies will include:

- Distributing printed materials about the program to property owners and managers
- Contacting property owners and managers by phone or in person
- Holding owner recruitment/information meetings at least once a year
- Participating in community-based organizations comprised of private property and apartment owners and managers
- Developing working relationships with owners and real estate brokers associations

### **HCV Participants**

The Lansing Housing Commission will affirmatively inform participants of our jurisdiction coverage area at all orientation, and/or interviews. Housing Choice Voucher Participants will not be steered towards specific landlords or areas. Participants will receive information regarding the entire jurisdiction coverage area of the LHC, be advised of the HUD initiative to de-concentrate, and provide information which reflects areas of de-concentration and encouraged to make an informed housing decision.

LHC will monitor and adjust outreach strategies for effectiveness and adapt the strategies as appropriate.

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
